EDITORIAL

I'm writing this in the middle of our June heatwave and it has made me think about climate change and its effects. What a contrast to the cold wet weather we had just a few short weeks ago, and it's hard to believe that we are now having to be very frugal with our use of water. So, while it's as hot as this there's only one thing to do - get a cold drink and find somewhere cool to sit down and read your newsletter.

Lots of interesting reports this month. Our cover picture shows our own resident cheese maker celebrating success at the County Show (see Page 5). There is a lovely picture and a report about the garden that is being developed alongside our surgery on Page 14. The Den Brook Community Fund has money to give away, see Page 15. Lastly, on Page 17, we have a great picture of Mandy Smith passing a large cheque to the Dog's Trust. This represents money raised at the recent Dog Show during the Coronation celebrations.

Finally a plea to dog walkers: recently another dog was killed while being walked. The loss of a much-loved pet is very distressing for all concerned - please, keep dogs on leads when walking around our lanes.

What ever you are up to this month, enjoy the weather but stay cool.

ST PETER'S CHURCH

Dear Parishioners,

As I write this in early June it seems that summer has come early and we are blessed with blue skies and glorious sunshine. The birds are busy feeding their young, the countryside is looking splendid with the many shades of green, the wildflowers are in full bloom, and our farmers are busy harvesting winter forage. How lucky we are to live in such a wonderful part of Devon with so much to be thankful for. As a very popular hymn says "Blessings all mine and ten thousand beside".

Hymns and Pimm's A box will be placed on the church table for you to post your favourite hymn choice in between 3 and 17 July and then we invite you to come along to join in the singing. Pimm's and light refreshments will be served after.

July 30 at 10.00am, Mission Community Eucharist at Clannaborough.

From the registers May 15 interment. Marcia Elizabeth Poole aged 86. Marcia was born at East Foldhay, Zeal Monachorum on 25 August 1936 at the family farm. She married John, her husband, who she met at a dance at Parkham. John then moved to East Foldhay where they farmed before they both moved to Lower Burston and then to Easton Barton, Lapford before retiring to St Anton, Lapford. Marcia made her final visit to Zeal Monachorum, the place she truly loved, on Easter Sunday. We continue to pray for John, Rosemary and Margaret (daughters) and Andrew (son) and their families.

Margaret (churchwarden)

St Peter's Church, Zeal Monachorum. *A letter from the churchwarden and treasurer.*

Dear Parishioners

As churchwarden and treasurer, we are writing to introduce to you the **GIFT DAY** we are holding on Saturday, 1st July 2023, an opportunity for you all to support the church and its surroundings. Some one will be there to greet you from 10.30 - 12.00 and 3.00 - 4.30. Coffee and biscuits will be available in the morning, tea and cake in the afternoon. There will be displays of work that has been carried out together with improvements about to happen, also displays of church finances, the money we spend and what we receive.

Our church is more than 800 years old, the third building on this site. It is part of the history of our parish and has served us well all this time, not only for our regular worshippers and fellowship, but it is here for anyone and everyone who lives in the parish for worship, baptisms, marriages and funerals. We have visitors from all over the world who come to the church, to research family histories and visit their ancestor's resting place.

Day to day bills increase annually. The common fund, money we pay to the diocese for our clergy (*stipends, housing, pensions, training*), are just a part of it. We also have to pay for insurance, Mission Community and Cadbury Deanery expenses, electricity and churchyard maintenance. The amount needed to fulfil our day-to-day commitments is £122 each week, this does not include the churchyard maintenance and repairs which are a necessity for all property owners and the church is no different.

During and since the pandemic life at the church has been challenging, fund raising has had to take a back seat when large numbers of us were unable to meet together for events, hence our proposed gift day. Details of how you can help by weekly, monthly, or annual donations and the Parish Giving Scheme will be available.

On behalf of the Parochial Church Council, we would like to thank everyone who already supports our church financially and our volunteers, whose work is a vital part of reducing expenditure. It often goes unnoticed, but it is very much appreciated.

Yours sincerely

Margaret (churchwarden) *Becky* (hon treasurer)

FISHING CLUB CHAT

Hi All

The lake is fishing very well with some nice fish being caught. Alfie Heal landed his first tench and it was nice to see the excited look on his face. Also, a very large grass carp in superb condition was landed by Felice Magarotto, see picture below. Well done to both.

After the no mow May, Jane has been round on the ride on mower and a big thank you from the bottom of my heart goes to Andy Richardson who went around and trimmed all the fishing swims and the shed. As you know, I can't do much at the moment as my leg is in a fracture boot and will be until September, so we would appreciate any help you can give us.

July is a wonderful time to enjoy your flourishing garden and catch up with friends and family over a BBQ. Make the most of the good weather with these tips on what needs doing in the garden this month.

1. Make time for regular weeding so weeds won't have time to set seed.
2. Help to retain water with a water butt, water retaining crystals, and by adding mulch around plants.
3. Continue deadheading bedding plants and repeat-flowering perennials, like roses, to ensure continuous flowering throughout the season.
4. Summertime means that everything will be growing extremely fast. As a result, mow your lawn once a week to keep it in good health.
5. For a second bloom, cut back early summer perennials, such as hardy geraniums and delphinium.
6. Keep your garden abuzz with wildlife by ensuring bird feeders are topped up, ponds and bird baths are full; birds in particular relish gardeners' efforts, using these to both hydrate and cool down.
7. Start sowing biennials, such as foxgloves, forget-me-nots and wallflowers, for beautiful blooms next year.
8. Dahlias will be growing well - to produce more flowers, cut the first bloom to a very short stem (avoid cutting into the flower buds below.)
9. Cover two thirds of your pond with pond plants to help prevent the build-up of algae.
10. Now is a great time to get planting some autumn bulbs in pots and borders including, nerines, colchicums & sternbergia.

Bow Garden & Aquatic Centre is a great place for all your garden essentials, including an expanded range of Devon-grown plants. Also, plenty of seeds, gardening tools, garden buildings and everything you need for gardening, plus fish and pet supplies, an award-winning Waterside Cafe, and Post Office services too.

GROWING WELL GARDEN

After a cold and wet start to spring it's been wonderful to finally enjoy some sunshine in the garden. Beds are slowly filling up and our experimental "no dig" meadow border has been full of spectacular colour (and bees!)

We've deliberately kept plenty of areas of long grass as part of the Plant Life initiative #nomowmay but even so, keeping the grass short enough in some areas to provide easy access and to prevent it encroaching on the raised beds remains something of a challenge! Currently Dr Taheri's husband, Ben, is the single-handed grass management team and you're likely to see him there at least once a week mowing and strimming. Any offers of help with this job will be welcome. Also, if anyone has an unwanted petrol rotary mower in good condition that they are willing to donate or offer on long term loan for us to keep in our locked shed, we'd be delighted to hear from you.

In the meantime, a reminder that the garden is open on Tuesdays and Thursdays 10am-12pm and on most Sunday mornings from around 11am for a couple of hours. Do pop in and say hello (or pick up a trowel) and see what we've been up to.

We will also be hosting an open garden afternoon on Saturday 8 July 2-5pm.

We hope to see you soon.

Susan Taheri

ZEAL MONACHORUM WI

Members were disappointed when advised that our booked speaker for the June evening had given short notice of her non-attendance at our meeting. However, this could be positively construed as ‘a blessing in disguise’ as it gave us time to discuss a forthcoming WI Competition that we had chosen to enter in the Okehampton Show in August.

Our July speaker will enlighten us on “Providing bodies for the Emergency Services”. It is hoped that, at the conclusion of the meeting, we will leave the hall with as many members as had arrived. August is traditionally Members’ Night where the committee takes a back seat and non-committee members arrange the meeting. News on what transpired that evening will be in the September magazine.

Newcomers to the community, please be aware that you do not have to wait to be invited to come along to a WI meeting. Just arrive and you will be made welcome, you might be tempted to join in the future. Meetings, unless otherwise stated, are held in the Village Hall on the first Wednesday of each month, starting at 7.00 for 7.30pm.

CREDITON FOODBANK

I hope you have all enjoyed the sunshine these last few weeks - a chance to get out into the garden or for long walks in the beautiful Devon countryside. It doesn’t solve any problems we may have but it can give some relief, some peace when we can look at the amazing colours of spring flowers and beautiful flowering trees and bushes and look around at God’s amazing creation. I don’t know whether it’s my imagination but were the birds really singing louder than usual? It’s good to be able to enjoy something that doesn’t cost us anything. It’s free.

Now, I would like to say thank you to all who have been able to donate food and money for so many who are still struggling. It is such a blessing that I am still able to deliver food to the Foodbank every week. I heard someone say of Zeal a few weeks ago, “that village is a little oasis of giving”. I cannot think of any greater accolade than that.

Food needs are changing all the time. If you wish to donate but are not sure what to buy, a notice is put up around the village giving the most urgent needs for that week. However, may I also give you some ideas about the items that are most often needed: toilet rolls, washing up liquid, long-life apple, orange and pineapple juices, small packs of sugar, pasta and curry sauces, tins of custard and rice pudding, pot noodles, cereals, to name a few. And literally every single item you give is received with thanksgiving. You can drop off at my home Kentmere, down the hill 2nd on the right with the Waie Inn in front of you or to Jan Brealy, North Star House opposite the Church. Also, don’t forget you can donate at the Village Market, the Pink box will be there.

Thank you.

Last month we reported on a very successful Dog Show run by Mandy Smith and Ali Birchwhite on May 1. That day, £164 was raised and here is Mandy handing it over to the Dog's Trust. Well done Mandy, Ali and all the participants.

PARISH COUNCIL

The last Parish Council meeting was held on 18th May; May is the month that we have 3 meetings rolled into 1. The Annual Parish meeting was held first, during which the Parish Council Chair gave a summary of the previous year's activities listing the issues that had been addressed and those that were still outstanding. This was followed by a report of the year's news from the Village Hall committee and from Monachorum Matters. Owing to an oversight the news from the PPC was circulated at a later date.

Following this, the Annual Parish Council meeting was held, at which Rob Peck and Ken Hogg agreed to stand again as Chair and Vice Chair. This was approved by the council.

The ordinary Parish Council was next; local elections had been held on May 5th. We are two members short on the PC, so it was disappointing that nobody from the parish had put themselves forward. Following the non-election Mike Russell and Peter Heal offered to be co-opted. This was discussed by the council and unanimously approved. Both these people will be well known to you and we look forward to their input on parish matters.

District Councillor Natalia Letch was congratulated on her election success and welcomed to the meeting. It was a bit of a baptism of fire as she was immediately quizzed about potholes and the possibility of a 20mph speed restriction in the village. There was a discussion on the possibility of altering the layout for the Jubilee Seat area. The vote was taken that the site should remain as it is with an earth bank being placed in front of the concrete plinth to reduce the risk of accidents. Problems with parking on Western Road were raised, this being caused by the inevitable multiple cars per household. If anyone feels strongly about the situation or has any constructive ideas, please come to the next PC meeting on Thursday July 27.

Once again, we had a discussion on PC funding for Monachorum Matters. The Chair was asked to arrange a meeting between the PC and members of the MM team. The accounts for the year were provided by the clerk and discussed before being approved.

There being no further business, the meeting closed at 8.20pm.
Rob Peck

Chair.
